SUBJECT:

DOCKET NO. 2007-358-E - Application of Duke Energy Carolinas, LLC for Approval of Energy Efficiency Plan Including an Energy Efficiency Rider and Portfolio of Energy Efficiency Programs – Discuss with the Commission a Request for Waiver of Certain Requirements Filed by Frank R. Ellerbe, III, Esquire, on Behalf of the Applicant.

COMMISSION ACTION:

Move to approve Duke's request to waive the requirement to send notices of its application for approval of its energy efficiency plan directly to customers by October 19, 2007. My motion is based on the facts that Duke published the notice in five major newspapers throughout its service territory and has posted the notice on its website. This motion is further based on the Company following through with its stated intention to send copies of the notice to all customers as billing inserts in the upcoming billing cycle and to not oppose attempts by customers to intervene upon receiving the bill insert.
